

RD-940

CAST NICKEL BRONZE DOWNSPOUT NOZZLE

RD-940 cast nickel bronze downspout nozzle with anchor flange, countersunk mounting holes, and IPS threaded, no hub, or push-on connection.

OPTIONS

- Stainless steel bird screen
- No hub
- Push on connection

Note: The color of nickel bronze parts can vary slightly depending on the foundry or even the run batch on the same part. Photographs of the downspouts appear more silver in color, while more of a gold tint is apparent when you look at the physical part. The nickel bronze will also darken with time and exposure to weather

IPS Threaded Connection
